High End Nylon Gear For Military, Law Enforcement, Public Safety, Outdoor Sports, And Industry
Dear Valued Customer:

It has been over three decades since Raine started serving the military and law enforcement markets. A lot has changed over that time – canvas has changed to nylon and maps have changed to GPS. Raine has evolved too. We have made a significant investment in updated production processes and investments in new high tech gear utilizing the most advanced materials. In addition to supplying our current product line, Raine now offers very competitively priced Berry Compliant OEM and custom sewing services and products. We are also very proud to be the supplier of the USMC issued rifle sling.

It is our job is to make you successful and profitable. This success has been the result of one overriding philosophy: we produce products that will provide performance when you absolutely need it. Quality is guaranteed, our pricing to you allows for a good margin, the packaging is designed for maximum results, and we ship on time.

I personally wish to thank you, whether a new customer or an old friend, for your interest in Raine Inc. I invite you to review the catalog and use our toll free number, 1-800-826-5354, to place an order.

Sincerely yours,

John Raine
President
